

GLYCOLIC GEL

10-Minute Peel

BENEFITS

- Gently removes dead cell buildup on the surface to improve luminosity
- Helps clear acne breakouts
- Supports increased hydration within the skin with continued use
- Promotes brightening and increased product penetration

KEY INGREDIENTS

10% PURE GLYCOLIC ACID: medical grade; exfoliates the outer layer of dead skin cells and brightens discoloration

RED ALGAE EXTRACT: proven to increase cellular turnover, and improves skin firmness and elasticity

MATE, KOLA NUT, AND GUARANA EXTRACTS: clinically proven to reduce stinging, tingling, and burning sensations caused by aggressive topical products

RECOMMENDATIONS

Can be used AM or PM, 1-7x per week pending skin sensitivity/tolerance
