

ENRICHED MOISTURE CRÈME

Firming Antioxidant Moisturizer

BENEFITS

- Lavishly rich hydrating cream
- Potent antioxidant formulation

KEY INGREDIENTS

RED ALGAE EXTRACT: super-hydrates the skin and help rebuild collagen in the dermis

SQUALANE: natural moisture source found in human sebum; known for its natural healing qualities

GLYCERIN: humectant and emollient, works by absorbing moisture from the air, helps skin retain moisture

WHEAT GERM OIL: is used in its organic state- the richest and purest form of Vitamin E, offering free radical protection

RECOMMENDATIONS

Can be used AM and PM
